

# YOUR LOCAL BAY AREA VOICE & VoIP SERVICE PROVIDER

We Provide

## Business Voice and VoIP Services

It's time to ditch your legacy phone system! Move your business forward with minimal effort and cost with Voice over IP (VoIP).

Cloud Hosted VoIP from WillowWeb Voice provides enhanced communication tools, like IVRs, Call Queues, Ring Groups, and business logic plus all the popular calling features, completely managed and hosted by our advanced and reliable IP network.

Your business can avoid expensive capital investment while enjoying the many benefits of VoIP.

### Why WillowWeb?
